CAUSE OF STELZRIEDE'S DEATH IS LEARNED

Two Sons Arrive in Tempe With Remains for Interment. Masons in Charge of Services This Afternoon.

Detailed information relative to the death of Wm. H. Stelzriede, one of Tempe's most prominent and respected citizens for many years, at Prescott last Monday morning was gained here yesterday morning upon the arrival of the two sons of the deceased with the remains which are to be interred here this afternoon.

Mr. Stelzriede had been suffering the greater part of the winter at his home in Los Angeles with what at one time being quite seriously ill. Upon partial recovery he went to the Agua Caliente hot springs in this state. That was about a month ago. After several weeks' lapse of time and he did not improve he went to Prescott where the end came one week ago tonight.

Jack W. Stelzriede, with whom the deceased had been living while in Los Angeles was immediately notified and he with his brother, William E. Stelzriede of San Francisco left at once for Prescott. The funeral services will be held this afternoon at two o'clock from the undertaking parlors of E. P. Carr. The Masonic order of which Mr. Stelzriede was an honored member, will be in charge of the services. It is likely that the Knights of Pythias of which the deceased was also a member will take part. The deceased acted in the capacity of councilman here for a number of years, at the same time being employed by the Arizona Eastern railroad. Again in 1910 he was a candidate for city marshal, but was an independent ticket. At all times Mr. Stelzriede was one of Tempe's foremost citizens working constantly for its best interests.

It is now well known that not more than one thousandth of an inch requires any internal treatment what ever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all druggists.—(Advertisement)

WILL LOCATE HERE

L. P. Mapes of Sebastopol, California, a son-in-law of John Hansen, proprietor of the Casa Loma hotel here, arrived in Tempe Saturday to accept a position with the Pacific Creamery company.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all druggists.—(Advertisement)

EXTENDED EASTERN TOUR

Miss Ruby Lukin, left Tempe Saturday on an extended visit through the middle and eastern states. She will spend a week or two at Kansas City. From there she will visit at numerous cities on her way into Chicago where a greater part of the summer is to be spent.

Arrivals in Tempe registered at the Casa Loma hotel yesterday were: W. E. May, Tempe; A. H. Schmidt, Denver; R. N. Anderson, Los Angeles; Wm. Wood, Los Angeles; L. P. Mapes, Sebastopol, California; Chas. H. MacGone, Racine, Wis.; Margaret Rankins, Mesa; G.

Sequel To Love For Doll

Maternal instinct Greatly Developed by Teaching Children to Love their Dolls.

The little child's doll is mother to the most romantic fairy. And in the years that pass, the doll fades into the petals of a June rose, to evolve the most wonderful of all transformations. And now comes a more serious period when the joy of real motherhood should be as tranquil as best effort can provide.

This is accomplished with a wonderful remedy known as Mother's Friend, an external application so penetrating in its nature as to thoroughly lubricate every part, nerve, muscle and tendon involved. There will be no pain, none of that agonizing aching, no sensation of distress or strain of expanding muscles. The nerves, too, will be calm, thus making the period one of restful days, of peaceful nights as a source of happiest anticipation. The young, expectant mother must be carefully watched lest she become absorbed in these mental distresses which may prove her for the most important event in her life. Mother's Friend enables her to avoid all emotion of dread, worry or pain and thus she is preserved in health and strength to take up the joyful task of motherhood.

You will find Mother's Friend on sale at all drug stores at \$1.00 a bottle. Do not fail to use it regularly as directed. Write today to Fred Holt Regulator Co., 135 Lamar Road, Atlanta, Ga., for their most valuable little guide book for expectant mothers.

Thew, Herman Russell and Misses Jessie Waterhouse, Katherine Parry, Cora Hudlow, Ula Hudlow, Grace Bailey, Louise Fisk, Helen Johnston, Flora Thew, Grace Flumerfelt, Mary Corbett.

Dains preached his last sermon to his Tempe congregation yesterday morning, it being a fitting close to all services in the Congregational church for the summer. The two speakers are leaving Tempe seeking cooler climates and a place where they can enjoy life and a month's recreation. They propose to put in a majority of their time hunting and fishing.

AWAKENING OF MESA TO GOOD ROADS NEEDS

Preparation of Town Otherwise for Coming Visitors.

Hugh Dana, district superintendent of roads has about finished the new county road from Gilbert to Higley. This road will be a part of the state road from Florence to Phoenix and also a part of the proposed new highway to be built from El Paso to San Diego, Cal. The good roads movement is becoming a matter of interest to everyone these days. It is no longer being talked of as a rich man's proposition, in order that he might have a good place to run his auto, but rich and poor alike see the necessity for a good, first-class highway from every trade center to other trading points and a national highway is becoming absolutely indispensable. That the said highway should be over the lower route or along the Borderland is also a conceded fact by all interested parties. Mesa will be on that highway and should derive her part of the benefits therefrom, but to do this she must be prepared for it. Hardly two years from now, tourists will be coming across the continent in all kinds of vehicles to visit the Panama exposition. Many of these people will come to stay, or at least be on the lookout for a place to come back to later on. The question is: "Is Mesa ready to receive them, entertain them and convince them that here is the place to stop?" California has become rich by beautifying her towns and surrounding country. What are we doing in that line? People who are able to travel and who

are traveling rapidly through a country, are more or less attracted by the beauty of the scenery. Johnson grass and ugly hedges are no advantage to the scenery so far as beauty goes. Mesa has the choicest lands an climatic cannot be beat as a residence town cannot be beat in the state, but unless we get busy and make our town look more neat and clean it will not attract the attention of passersby like the more carefully ornamented towns of California. There are but little time to spare to get things in readiness, for this grand procession of tourists and Mesa should be getting busy before it is too late. A few roses planted in the right place will add much to the attractiveness of your place and the town in general. Little more attention to the roads in keeping surplus water from flooding them would be another good paying proposition. Mesa would do well to start a "City Beautiful" organization and every citizen become a member and work in harmony with others and make Mesa attractive to these new comers when they arrive. Get in and boost for the Borderland route highway and help show the world that Arizona is the only place in the state that is right to live in. It can be done, and the end compared to the results would be nominal.

Each age of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken. They soothe the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all druggists.—(Advertisement)

SUCCESSFUL COTTON MEETING
The Mesa Egyptian Cotton Exchange held a most successful meeting at the city hall Saturday. The exchange has decided to assess each acre of cotton signed up the sum of \$5.00 to be applied in building a gin and oil mill land on the mesa. Many buildings are erected at once. Manager Attaway will go to Dallas, Texas, in a short time and inspect the gin equipment of the different makers and buy what he thinks is best for the country. He is thinking of buying a comb gin, which is a new invention on the same principle of the saw gin only it is said to not injure the fibre, but gins equally as rapid. If this gin proves satisfactory, it will mean a great saving for the long staple grower, and may mean the planting of staple cotton entirely for the valley. Many new names were added to the exchange and practically all of the Mesa growers are now members of the organization. Mr. Attaway will also arrange for importing pickers while he is on his trip to Dallas. Many letters have already been received from parties in the east wanting to come here for the cotton season, and with cheap transportation it is thought that there will be no trouble to get what help will be needed.

FAIR-MINDED PHYSICIANS
recognize the value of Lydia E. Pinkham's Vegetable Compound and do not hesitate to prescribe it. A woman from St. Cloud, Minn., says she was led to take it because she learned that her doctor's daughter had been taking it with most excellent results. This is another link in the long chain of evidence to prove the reliability of Lydia E. Pinkham's Vegetable Compound for women.

Ernest Pringle, formerly with the South Side Cakes company, has purchased a half interest in the Mesa Pantatorium with the Glaze brothers.

FUNERAL POSTPONED

parents it was postponed until today.

CALLED TO FLAGSTAFF

Commodore Passey has received a wire from horsemen of Flagstaff to come at once and take charge of race horses for the Fourth of July races to be run at Prescott. Commodore is a well known jockey and has had charge of many noted horses. He will no doubt make a winning for his employers on the Fourth.

GONE TO OLD HOME

Mrs. William Passey has gone for a summer visit to her old home in Hamburg, Iowa. Mrs. Passey is an old resident in Mesa and it has been many years since she visited "back home." She will return when the weather gets cooler in the fall.

DID NOT GO TO THE BALL GAME
John Connolly did not go to the ball game yesterday. John did not say, but it is thought that he maybe had cold feet, on account of the defeat of the Mesa team at Phoenix, and being afraid to bet on the home team he decided he would spend the day at the Granite Reef.
